

# NORTHWEST MISSOURIAN

NORTHWEST MISSOURI STATE COLLEGE

L. 42-NO. 8

Maryville, Missouri

December 7, 1955

## W. L. Shirer, TV Commentator, To Lecture on 'World Today'

Third in a series of lecturers brought to the campus by the Assembly Committee is the famous author and radio commentator, William L. Shirer, who will appear at the College assembly on December 9, at 10 a.m., in the auditorium.

Mr. Shirer's topic will be "The World Today."

## Vote on Bond Issue Is Important to College

Election day for the \$75,-000,000 bond issue will be held January 24. Should the issue be passed, the revenue will be used for repairs and new buildings at certain institutions in Missouri.

Those institutions included in the program are state prisons, eleemosynaries, and the five state colleges and the state university. A list of building and repair needs for Northwest State College is being drawn up to be sent to the governor of Missouri.

## College Has List Of Blood Donors

Fast becoming a reality at Northwest Missouri State College is the blood donor list. The names of 80 students and members of the college staff have recently been given to the St. Francis Hospital for contact in the event of a need for emergency blood donations.

Edward Vann, vice-president of the new Veterans Club, was very instrumental in receiving volunteers through the Veterans Club and the Alpha Phi Omega service fraternity.

Many individuals and faculty members have volunteered to be placed on the list in addition to the names submitted by Vann. Copies of this list are kept at various offices. This is only the start of the program. It is hoped that a total of 250 voluntary donors can be obtained.

According to Dr. Sterling Surrey, arrangements have been made for interested persons to have their blood typed at the hospital if they wish to have their names placed on the list. Volunteers should contact Dr. Surrey this week.

## Music Faculty Gives Piano, Voice Recital

"Extremely listenable" was the term used to describe the Monday evening recital, presented by Miss Ruth Miller, pianist, and Mr. Gilbert W. Miller, baritone, of the College's Division of Music.

Assisted by Mr. Gerhard Krapf, also of the music faculty, at the piano and organ, the duo presented an enjoyable and entertaining program in the College auditorium for students, faculty, and townspeople.

Mr. Whitney presented four groups of numbers including songs by Robert Jonson, Morgan, Johannes Brahms, and Malotte.

Miss Miller's selections included a Mozart piano concerto and numbers by R. Schuman, Grieg, Ibert, and Albeniz.

Mr. Whitney, director of the Tower Choir and instructor in vocal music, received his training under such persons as August Werner of Seattle, and H. Wellington Smith in New York. He also participated in recitals in New England opera work under Boris Goldovsky in Boston.

Miss Miller, instructor in piano and Horace Mann grade school music, received degrees in music from Kansas and Northwestern Universities. She has studied at Boston University and with Maurice Duménil.

## Dr. Jones Attends Washington Meet On Education Aid

Dr. J. W. Jones, president of the College, has returned from Washington, D. C., where he had been a Missouri delegate to the White House Conference on Education.

Dr. Jones was one of about 2,000 delegates which included approximately 1,400 state delegates, 100 members of Congress, 300 representatives of national organizations, and 200 foreign observers.

Among the topics discussed at the conference were "What Should Our Schools Accomplish?"; "How Can We Organize Our School Systems More Efficiently and Economically?"; "What Is the Teacher Supply and Demand?"; "What Are Our Building Needs?"; "How Can We Finance Our Schools?"; and "How Can We Keep Up Public Interest in Education?"

Conference delegates were divided into about 200 tables of 11 persons each to discuss the topics. Chairmen from these groups reported their findings to select groups of chairmen, and from these groups twenty delegates were selected for further discussion of the reports. From this group of 20, one person was elected to make the final report on each topic.

All discussion and debate took place at the original 200 tables so that the general sessions were not clogged up. Findings of the preceding state conferences were not discussed, but reports from these conferences were made available to the delegates.

While in Washington, Dr. Jones attended the meeting of the Northwest Missouri State College alumni association group held there.

## Freedom to Write Is Basic to Education, Says J. Mason Brown

Education depends upon the freedom of writing and thinking, according to John Mason Brown, drama critic and author, who spoke to the College assembly, December 2.

"Had we met a year ago, we might have met under different conditions, under the smog of McCarthyism," he said. "McCarthyism and other 'isms' have imperiled writing and education, he declared.

Mr. Brown interpreted the present world race for nuclear supremacy as being one for the balance of terror instead of the balance of power.

Politically, the Japanese Treaty "emphasized disarmament." Now we are rearming Japan "to support us."

Thus far the United States has triumphed in technical skill, he maintained. The United States has produced the best engineers, the best chemists, the best doctors, and probably the best morticians in the world.

"Everything is yet to be done," stated Mr. Brown. "As a people, we are at home with things. Our genius for doing is unrivaled. Our tragedy is that we extend this to doing almost anything to avoid thinking."

Brown, a believer in minds sharpened by thinking, tendered four accomplishments for man: "Man must find some way of living with himself, his neighbor, the world beyond his neighbor, and with his God."

## Notice

Until further notice, the Bearcats' Den and the Union Lounge will be open on Saturday evenings for dancing as well as other activities. On Sundays, the Den and Lounge will close at 6:30 p. m. Movies will be shown in the Den each Friday evening from now until the Christmas vacation.

## Senatorial Elections To Be Held Next Week

### Nominating Class Meetings Are Monday; Final Vote Is Thursday

Class meetings will be held Monday, December 12, at 12:30 p.m., for the purpose of nominating candidates for senators. Designated rooms for the meetings are the following: seniors, 114; juniors, 113; sophomores, 207; freshmen, auditorium.

These nominees will be voted upon Thursday, December 15. Because elections are held twice a year, only one-half of the Student Senate is replaced at one time.

## Students Prepare For Yule Program

Plans are now being made for the annual Christmas assembly which is to be held Monday, December 19, at 10 a.m. in the auditorium.

The scripture and Christmas message will be presented by Dr. Harry G. Dildine, of the social science department.

College musical groups will present special numbers for the program. The band will play "Christmas Fantasy" by Newell Long. An 85 voice group composed of the members of the Tower Choir and the College Chorus will present "Hodie Christus Natus Est," "The Morning Star," "Glory to God," "Carol of the Drums," "Sing Noel," and "Hallelujah Chorus."

## Maryville Bank Presents Book on Money to College

In commemoration of the 50th anniversary of the College the Nodaway Valley Bank has given to the College two copies of a new book entitled "Paper Money of the United States."

One copy of the book has been placed in the College library and one in the Horace Mann library. On the flyleaf of the illustrated copies are the signatures of James B. Robinson, Chilton Robinson, A. J. Dinsdale and Ewart H. Burch of the Nodaway Valley Bank.

"Paper Money of the United States" is a guide with the evaluations, valuations, and illustrations of all American currency from 1861 to the present. Included are the differently designed notes from 1 to 10,000 dollars in large size issues and 3 to 50 cents in fractional currency issues.

Also found in the book is a complete catalogue of encased postage stamps which at one time were used as money.

Senators whose terms expire this semester are Barbara Taylor and Robert Smith, seniors; Lester Wooten, junior; Shirley Dieterich and Joyce Ely, sophomores.

Other members of the Senate are Frank Davis and Don Warford, seniors; Norman Higginbotham and Arthur Buckingham, juniors; and Shirley Woodring, sophomore.

Kenneth Moore is student body president and Evelyn Severson serves as vice-president.

Student government of the College also exists in the form of class organizations. Officers for the 1955-56 school year are the following: seniors — Robert Smith, president; Don Warford, vice-president; Barbara Stuber, secretary-treasurer. Juniors—Michael Hutcheon, president; Jean Swanson, vice-president; Shirley Molsinger, secretary; Sharon Gabbert, treasurer.

Sophomores — Ronald Searcy, president; Barbara Julius, vice-president; Gary Alexander, secretary; Gene James, treasurer; Robert K. James, reporter, Freshmen—Bill Arloff, president; Ken Jenkins, vice-president; Donald Moore, secretary; Larry Schwartz, treasurer.

## Avis Murrell Receives \$1000 Fellowship Loan

Avis Murrell has been awarded the Anna M. Painter Graduate Loan Fellowship in the sum of \$1,000 by the Maryville branch of the American Association of University Women. The Fellowship will apply to the spring semester of 1956 and may be used at an institution of the receiver's choice.

Avis is the daughter of Mr. and Mrs. Kenneth Murrell, Albany.

## Union Board Sponsors Photographic Contest

Attention, all camera bugs, photo hobbyists, and any students who like to take pictures. The Hobby and Crafts Committee of the Union Board is sponsoring a photographic contest open to all students of the College.

Beginning today, December 7, students may submit photographic prints of any size up to 8 by 10 inches to Miss Simons' office. Prints must be accompanied by an official entry blank, which may be picked up at the business office, and an entry fee of 25 cents.

February 18, 1956, is the final date for entering the contest. The contest will be judged by four judges, and the winners will be awarded a total of twenty dollars in prizes. Winning prints will become the property of the Union Board and will be displayed after the contest.

### Official Contest Rules

- (1) This contest is being held to encourage the use and improvement of photography on the campus. The contest opens December 7, 1955, and closes February 18, 1956.
- (2) Twenty dollars in prizes will be awarded to the students whose photographs are judged best by four judges. In case of ties, duplicate prizes will be awarded.
- (3) Black and white photographs only are eligible, and each contestant may submit no more than six prints. There are no restrictions as to subject matter, and unmounted prints of any size up to 8 x 10 inches are eligible.
- (4) Each print must have secured to it a filled-in entry blank, available at the business office. All entries are to be turned in at Miss Simons' office in the Union building. All students must pay a 25-cent entry fee.
- (5) Non-qualifying entries will be returned upon request.
- (6) Students winning prizes will be required to furnish original negatives before the prizes are given. All prize-winning prints will become the property of the Union Board.

## We Should Be Proud . . .

We should be proud that we live in a country which allows us the privilege of voting as we please . . . We should be proud that the administration of the College and the State have seen fit to give us, as students, a form of self-government in student affairs . . . We should be proud that in our last campus-wide election, the election for Homecoming Queen, 70.7% of the student body went to the polls to cast their votes . . .

But . . . while we are being proud, we should take note of the forthcoming elections for senators in the Student Government Association. Every student of this college is a member of this association, and therefore each student should be vitally interested in the selection of those people who will represent him on the Student Senate—the body which regulates student activities.

Most of the students have shown their interest in campus elections by their turnout last October, and there is very little doubt that that interest will again be high this coming December 15. There remains, however, one little item before the election—the class meetings at which nominations for senators are to be made.

Attendance at class meetings has been notoriously small in this school the past few years. In fact, there have been cases where a class meeting of fewer than a dozen persons has conducted the business of a class numbering more than 200 members.

Recently there has been some criticism of the representation of various campus groups in the nomination of candidates. Here is a good chance for those who feel they have not been represented to put in their "two-bits' worth." Every student attending this College in the undergraduate division is a member of a class, and is therefore entitled to make nominations for senatorial positions if he attends his class meeting. Few have the right to feel left out as the meetings are scheduled at times when certainly at least 90% of the members can be present.

Remember, when next Monday rolls around, attend your class meeting at the appointed time and place; and on Thursday, vote for your choice for student senators.

## Slow Down, and Live . . .

As college students, most of us are in that age bracket which National Safety Council statistics show has a very large number of traffic accidents.

We then, of all people, should be most concerned about improving our record and setting a good example for both those younger and older than ourselves by driving at sensible speeds.

Safe speed, of course, should be determined by the conditions of weather, road and traffic. Safe drivers realize that many times the posted speed may be too fast when weather conditions obscure vision by snow, ice, or fog, or when roadways are too slick. Also, in congested traffic, speed must be carefully adjusted, and in the winter, drivers must be especially judicious.

Naturally one cannot be expected to travel at a snail's pace on today's roads and in modern cars, but traveling speed must be tempered with good judgment, which college students should be intelligent enough to use.

## The Stroller . . .

Good morning, good afternoon, or good evening to all you fine ladies or gentlemen—take your pick of the time and gender, the Stroller doesn't wish to offend anyone by greeting him (or her) improperly.

Vacations seem to do things for every student. Only one week has passed since the end of the long Thanksgiving holiday and already an air of concentration on studies seems to have settled on the campus. Could it be that the holiday rest has caused a great hunger for learning, or is it possible that many students are thinking ahead to the Christmas holiday which means only two weeks till final exams which means . . . 'nough said, better go study myself.

Students in Dr. Leon Miller's Ed. 135a class are very busily preparing their final reports. Looks as though many of them are finally taking to heart the Dr.'s lecture on getting reports in early.

The Stroller, for one, is glad that the Rotary convention was held here during vacation. The Rotarians caused the tables in the dining hall of the Union cafeteria to be changed from their usual positions and created a welcome facelifting for the room. Perhaps an occasional change in table locations throughout the year would make eating at the Union more enjoyable.

Winter seems to have arrived in full force during the past two weeks as low temperatures and snow have been recorded. With the coming of cold weather comes another interesting sport for NWMSC students—ice skating. The College pond provides a convenient place for exercising this popular winter pastime. In years past, the lights from the tennis courts have been turned onto the pond. Perhaps they will be again soon.

"All work and no play makes Jack a dull boy," goes a familiar adage, and if it is true, then State College students certainly won't be dull during the next two weeks. Between now and Christmas many activities have been scheduled. They include basketball games, assemblies, movies, the Christmas Ball, and innumerable organizational parties and carolling excursions.

Also, Miss Simons has announced that the Union lounge and Bearcats' Den will remain open on Saturday evenings. The well-rounded College student should not fail to take advantage of the many activities offered him.

## Library Notes

New travel books on Europe are now available. These books were published in 1955. France, Switzerland, Britain, Germany, Spain, Portugal, Scandinavia, and Benelux are the subjects covered. Two guides to Europe, one for men and one for women, are included in this group.

Christmas books are now on display in the library. They are available on a three-day loan basis so everyone can have a chance to check one out. Program material that student teachers, church or other community organizations can utilize is in these books.

Four books by Mr. William Lawrence Shirer, the guest speaker for the next College assembly, are available in the library.

Of interest to students is a statement made by Mr. James H. Johnson, the librarian: "I wish there was some way to persuade people to use the library during the morning hours. Then the staff could give them more help and they would find the library less crowded."

## Residence Hall Girls To Use New Rec-Room

Girls in Residence Hall will soon have access to the new recreation room in the north end of the dormitory basement.

Equipment will include a television set, ping pong tables, card tables and chairs, and shuffle board.

Sunday and week nights the recreation room will be open for girls only, Friday night for both boys and girls, and Saturday night will be party night which boys may attend by invitation only. Closing hours will be established by the dorm council.

## Sigma Patronesses Have Dinner for 61

Patronesses of the Sigma Sigma Sigma sorority entertained 61 alumnae, actives, and pledges of the sorority at six o'clock dinner at the Maryville Country Club, November 20.

Table appointments and the menu carried the Thanksgiving motif.

Hostesses were Mesdames Robert Foster, James N. Sayler, Edward V. Condon, William A. Brandenburg, and James B. Robinson, Jr.

## Double Trouble!

Mr. and Mrs. Gerhard Krapf are the parents of twin girls, born Sunday, November 27, at the Missouri-Methodist Hospital in St. Joseph. Mr. Krapf is instructor in piano, organ, and theory at the College. The girls, named Gerburg Irene and Gerhild Ina, weighed 5 pounds 10 ounces and 5 pounds 13 ounces, respectively.

They are identical twins, but "I can sure tell them apart!" exclaimed the proud father.

## Shirer to Lecture

(Continued from Page One)  
sold a million copies here and abroad.

During the war, Mr. Shirer served as a war correspondent in the European Theater for various periods in 1939, 1940, 1943, 1944 and 1945 and at the war's end, after reporting the birth of the United Nations in San Francisco, covered the trials of the Nazi war criminals at Nuremberg.

Since the war he has tried to make his home, and rear his family, in New York and on a farm in Connecticut but has returned to Europe every other year. He rode the historic Berlin Air Lift in 1948, and in 1950. After narrating an American film which was shot in Vienna, he revisited the scenes he had been reporting for two decades to gather material for the Literary Guild's October selection, "Mid-century Journey."

Mr. Shirer has been the recipient of many honors: The George Foster Peabody Award, radio's greatest prize; the Wendell Wilkie One-World Award, for his outstanding achievements in journalism; and the Legion of Honor from France.

## LITTLE MAN ON CAMPUS

by Dick Bible

"One big advantage in having to take this course over is that I know when I'm supposed to laugh."

## State College Alumni

Best wishes for the Golden Anniversary year and for many more successful years with the College have been received by President and Mrs. J. W. Jones from Betty Lou Lassiter, of Kansas City. Mrs. Lassiter, the former Betty Lou McPherson, was graduated from the College in 1946. Later she taught in the Maryville high school.

Her husband, the Reverend Arleigh Lassiter, was formerly assigned to the Episcopal Church in Maryville.

Abelardo Patino, class of 1949, received his Ph. D. degree in social science at American University, Washington, D. C., in June.

His dissertation was "The Political Ideas of the Liberal and Conservative Parties in Colombia during the 1946-1952 Crisis." He previously had his M. A. degree at Notre Dame. Mr. Patino came from Colombia to Maryville to do undergraduate work.

"Well I remember the first summer school fifty years ago, when we hurried between class periods from the old brick central school building to the Old Seminary out in west Maryville, a mile away," writes Mrs. Alice Orcutt Mueller, of Paradise, California. "Those were the days! And happy days! We were going to COLLEGE!"

Mrs. Mueller's teaching and college work, additional to that of

Maryville, was done in summer sessions and extension courses at the University of California. She received her B. A. from San Francisco State College and taught the junior high English department, Oakland, California, for years.

M. E. Selecman, class of 1940, has sent to President J. W. Jones two checks: one for \$50 for the Golden Anniversary Scholarship Fund and one for \$3 for a copy of the history of the College which Miss Mattie Dykes is writing.

Mr. Selecman, executive manager of the American Bankers Association, New York, writes that he remembers the tolling of the bells to announce the selection of Maryville as the site for the College and that he knew quite well Charlie Colden, the first president of the Board of Regents.

"The 'New Woman,'" by Dr. B. June West, class of 1941, appeared in Vol. 1, No. 2, of "Twentieth Century Literature," a magazine published in July by the Swallow Press of Denver, Colorado. Dr. West, a member of the Eastern New Mexico University faculty, is in a cooperative group of twenty-five which publishes the magazine.

In "The 'New Woman,'" Dr. West discusses the shift in the social attitudes of modern woman revealed in poetry, drama, and fiction published between the two world wars.

## THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will reverence and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

## Education Exhibit Is Modern Ideas

A field of public school art standing display may be seen this month in the art department on the first floor. It consists of work from the kindergarten through the high school done under the direction and the supervision of Miss Schubkegel, director of art education in the Hammond, Ind., public schools. The most interesting theories and methods in art education are demonstrated.

Perhaps the key to Miss Schubkegel's display can be found in the words on art philosophy taken from the display:

"We believe that art education should be an integral part of the curriculum, a developmental, educational process for expressing the needs of society—physical, mental, emotional, social and spiritual. . . . To guide such a program the art teacher needs to be technically competent, imaginative and resourceful, with a sympathetic understanding of the individual differences in abilities."

## Alpha Tau Gamma

What talk this week is that in the Alpha Tau Gamma are in full swing now. The teams are holding their own. The Blue and White teams are undefeated and the Green team is close behind.

The pledge class is planning an annual Christmas party for active members with gifts and refreshments for all on December 16. On Tuesday night, November 29, the night the pledges had been waiting and preparing for all year. Revenge was sought for all the trials and trouble the actives have given this year.

## Alpha Sigmans

Alpha Sigma plans for Christmas in a big way. Jean Swanson and Jean Jensen are busy planning the Christmas party.

Alpha Sigma social service projects are being planned for Christmas. The toys which were collected by the pledge class of 1954 will be given to the Maryville Children of Churches' Christmas Committee. The toys will then be distributed to various Maryville families. Ruth Tebow and Shirley Rich are getting the toys ready for distribution.

Alpha Sigma is also planning to have a family for Christmas. Barbara Barrett and Barbara Benson were appointed to make arrangements for securing the family.

Alpha Sigma wishes to Donna Stark Barrett, Marty Newman, Jean Jensen, Jean Swanson.

## Delta Sigmans

Members of Delta Sigma Epsilon have taken over the annual Christmas party with Janis Stiles in charge of decoration, Marjorie Stiles presenting the program, Sandra Bill providing the food, and the Faculty Tea, on December 14, everyone is busy on committee. Kathryn Taylor and Lauretta Lor will receive and Barbara Benson will pour.

Barbara Woodcock is now drilling the actives for their active test. Evelyn Severson prepares for their future test. Gloria Benson and Virginia Buzzard are planning and recruiting for intramural bowling and basketball games.

## New Girls' Council Plans Intramural Activities

Members of the newly formed Women's Intramural Council are shown in the picture above as follows: Front row, left to right, Sandra Hayzlett, Sigma Sigma; Pat Adams, vice-chairman and Alpha Sigma; Barbara Benning, chairman; back row, left to right, Gloria Jameson, Delta; Barbara Kunze, basketball sports manager; Barbara Elsberry, Red Racer; Janice Volkens, historian, Tigrettes. Joyce Lash, secretary and Hawks' representative, is not shown.

Photo by George R. Green

## Independent Club

Independent Club members met at the Union for a short meeting before leaving for the skating party, held on December 6.

During the meeting committees met to further plans for the Christmas party to be held December 20. Members of these various committees are as follows: Caroling tours—Peggy Guthrie, Wreath Jarvis, Marilyn Jones, Don Bills, Robert Williamson and Kathleen Hopple; Grab bag—Archie Linn, Mac Allen Edwards and Marsha Edwards; Refreshments—Wanda Kingsolver, Vada Sundell, Mary Watkins and Norma Bergstrom.

At the December 13 meeting a vote will be taken on the new constitution which all members are reading at the present time.

## Pi Omega Pi

During recent initiation ceremonies three new members were added to bring the active membership of Beta chapter of Pi Omega Pi to eleven active members. The new members are Nancy Kariger, Aleta Mullins and Jim Roll.

Nine new pledges were also added for prospective memberships. New pledges are Karen Gardner, Charles Howard, Millard Haning, Floyd Tripp, Theodore Lockin, Art Buckingham, Bob Duke and Robert McNeill.

## Phi Sig Review

Phi Sigma Epsilon held its winter formal on Saturday evening, December 3, at the Union Lounge. Music was furnished by the Rhythmaires of Shenandoah, Iowa. Active Phi Sigs were glad to see some of the old alums back at the dance.

Reverse night was held Tuesday, November 29. The pledges showed they could swing the paddle with great ease. They preferred about six actives.

## Kappa Omicron Phi Has Initiation Rites

At a recent meeting of the Kappa Omicron Phi honorary home economics fraternity, new members were initiated. They were Mrs. Mabel Cole, Diane Robbins, Mrs. Lona Lu Babb, Mrs. Bette Cox, and Barbara LaMar. Present at the initiation ceremony was Mrs. Stephen LaMar, an alumna of Kappa Omicron Phi.

Plans for the approaching annual Founders' Day Dessert Hour were made. Committees for this event are as follows: Food—Mrs. Betty Cooksey, Mrs. Mabel Cole; place cards—Diane Robbins, Mrs. Lona Lu Babb; table—Barbara LaMar, Mrs. Bette Cox; program—Marty Newman, Mrs. Ann Bridgewater; candlelighting ceremony—Doris Ann Staples, Glenda Rice; exhibit—Diane Robbins, Mrs. Lona Lu Babb.

Kappa Omicron Phi girls are making a wardrobe for an 18-in. doll called Mopsy which will be given as a door prize at the organization's benefit tea to be held at 4 p.m., Dec. 15. Tickets for the tea may be obtained from any member or Mrs. Betty Cooksey, tea chairman.

## Alpha Phi Omega

Nine members of Alpha Phi Omega attended the annual sportsmen's dinner at Mound City last Thursday evening.

Joe Collier, brother of Keith Collier, was awarded the Past President's Key. Joe was president of Alpha Phi Omega in 1952.

Bruce Wake, Dan Sullivan, E. L. Reed, Jerry Hayes, and Bud Brown-

field became active members of Alpha Phi Omega at the initiation banquet which was held November 18. Ed Herde and Harlan Ferguson became active members at the district conclave at Marshall.

## S. C. A.

Five members of the Student Christian Association drove to Marshall, the week end of November 19, to attend YW-YMCA Conference.

Those attending were Ted Reed, Darlene Coleman, J. W. Stone, Larry Marrs, and Joyce Ely. Representatives from William Woods, Cottey, Central, Central Missouri State, University of Missouri, and colleges in Northwest Missouri met with the host, Missouri Valley College.

## Home Ec Class Studies Home Life in Other Lands

Members of the freshmen H. E. 40 class are studying home life in foreign countries.

Girls who served on a panel recently presented the picture of culture patterns, clothing, food and housing, and family life of Spain. Dr. Joseph Dreps, a guest, displayed his collection of shawls, fans, combs, and scarfs, and presented his impressions of the Spanish people. Panel members were Marlene Bishop, Norma Hanna, Ruth Faubion, Carla Rippstein, Kathy Taylor, and Doretta Holloway, leader.

## Tommy Teke says

Tommy Teke Says . . . All had a ball. Where? St. Joseph. When? November 28. Why? The Goetz tour. Delta Nu social chairman, Frater Jim Gromer arranged for a tour of the M. K. Goetz Brewing Co. The outing included a 2½ hour guided tour of the plant climaxed by a banquet in the company dining room.

Santa Claus is coming to town. Well, maybe not really, but we'll try. Plans for the annual orphans' Christmas party are now in the final stages. The guests will again be from the Noyes Home in St. Joseph. All the men in the triangle troop are eagerly awaiting this heart warming experience.

## Alpha Sigmans

Alpha Sigma Alpha members are proud of their basketball team which raced off to a good start in the girls' intramurals by winning the first game 31-29. The team is coached and managed by Jeanette Roberts, and the team captain is Darlene Vonderschmidt.

Alpha Sigs are also entering a bowling team. Nancy Kariger is the team's captain. Judy Cross has been elected president of the bowling league.

**Co-recreational swimming is from 4:00 until 5:30 p.m. Tuesdays and Thursdays and from 2:00 until 4:30 p.m. on Saturday afternoons.**

Football season is gone now and basketball season has started. The Bearcats probably will have one of the better teams in the conference. Warrensburg, Cape Girardeau, Kirksville, and Springfield always have good teams, but this year they may be in for a surprise. An average height of 6 ft. 3 in. should help Coach Gregory's men to have a winning season.

Members of the second team are: Ends—Vic Cromer (M) and Harold Weintraub (W); Tackles—James Wright (R) and Bill Kaczmarek (S); Guards—Gene Gladstone, (CG) and Rex Williams (R); Center—John Mackey (CG); Backs—Roger Feaster (R), Darrell Walker (M), Edward Yonkus (CG) and Keith Smith (R).
